Subject: RE: Pebble Mine Draft FEIS letter OW Coordination

Is there some concern with OW comments? I haven't taken a look at their feedback yet.

Subject: Pebble Mine Draft FEIS letter OW Coordination

Dan

We had a quick coordination call today with OFA on the draft FEIS letter as HQ is providing comments on the draft letter. In that discussion, Cindy Barger of OFA recommended that you reach out to Russ K. as soon as possible given ongoing discussions in the OW as they work on their comments pertinent to your programs.

Thanks.
